tom:

(G Gb E)

Bm A Gbm D
Somewhere in the darkest ocean

Far beyond the light

Fired from a merchant's cannon

Underneath the coral

Drank until we burst

Do yourself a fucking favor

Built yourself a boat

Hold your breath and reach the top

I know that you'll float
E D G Gbm G A
Don't have me up all night, worrying worrying
E D G Gbm G A
Don't have me up all night, worrying
E D G Gbm G A
Don't have me up all night, worrying worrying
E D G Gbm G A
Don't have me up all night, worrying
