

# All We Are - Feel Safe

tom:

Intro: Gm Bb Gm F

I don't even like it  
I don't even know which side is worse  
Just because you own it  
It doesn't make you feel safe  
I don't like to call up  
I don't like the way it makes you thirst  
Just because you own it  
It doesn't make you feel safe, feel safe  
I want you, I can't get you out of my head  
I just wanna do it again  
I just wanna do it again, I just wanna do it  
Remember how we lost it

Remember how we worked to make it hurt  
Even though we own it  
It doesn't make you feel safe, feel safe  
I don't like the people  
I don't like the way they think they're first  
Just because you own it  
It doesn't make you feel safe, feel safe  
I want you, I can't get you out of my head  
I just wanna do it again  
I just wanna do it again, I just wanna do it  
I want you, I want youuu  
( I want you, I want youuu, I want you )  
I want you, I can't get you out of my head (I want youuu)  
I just wanna do it again (I want you)  
I just wanna do it again, (I want you) i just wanna do it

## Acordes
