

All We Are - Feel Safe

tom:

Intro: Gm Bb Gm F

I don't even like it
I don't even know which side is worse
Just because you own it
It doesn't make you feel safe
I don't like to call up
I don't like the way it makes you thirst
Just because you own it
It doesn't make you feel safe, feel safe
I want you, I can't get you out of my head
I just wanna do it again
I just wanna do it again, I just wanna do it
Remember how we lost it

Acordes

Remember how we worked to make it hurt
Even though we own it
It doesn't make you feel safe, feel safe
I don't like the people
I don't like the way they think they're first
Just because you own it
It doesn't make you feel safe, feel safe
I want you, I can't get you out of my head
I just wanna do it again
I just wanna do it again, I just wanna do it
I want you, I want yooou
(I want you, I want yooou, I want you
I want you, I can't get you out of my head (I want yooou)
I just wanna do it again (I want you)
I just wanna do it again, (I want you) i just wanna do it
