[Primeira Parte]

E **D** **A** **E**
I watch the sun come up each morning
E **D** **A** **E**
And there's some things I'd rather do
E **D** **A** **E**
If you were only right beside me
E **D** **A**
Oh I know I'd make it through
E **D** **A** **E**
I'm burning up outside of heaven
E **D** **A** **E**
Counted all my red n' blue
E **D** **A** **E**
And all the ways to waste the daylight
E **D** **A**
I'm just waiting here for you

[Segunda Parte]

E **D** **A** **E**
Now I know I've gone the wrong way
E **D** **A** **E**
And all the love's been washed away
E **D** **A** **E**
Tomorrow's such a long way off now
E **D** **A**
Looks like another perfect day
