

Allan Raph - Nervous

And I need you here with me tom: (FGAmEm) [Primeira Parte] [Terceira Parte] Remember the old days It feels like forever When all we did was waste our time I?m living on this silver lining Monday to Sunday Ain?t any better Em The best of friends we had in life It seems like you made up your mind Everything was a habit Everything was a habit It was fun now it?s tragic It was fun now it?s tragic Ever since you got a man Ever since you got a man [Pré-Refrão] [Segunda Parte] Fb7M Don?t take yourself away from me Remember in high school I?ve known you since we were kids Every single class a waste of time Fb7M I see a bit of you in me Just to sit by you [Refrão] You always were my valentine Everything was a habit I?m nervous when you come this close It was fun now it?s tragic But I really wanna have you close to me I really wanna feel your skin Ever since you got a man [Pré-Refrão] And I just don?t know what To say to get you off my mind Don?t take yourself away from me I think about you night and day I I?ve known you since we were kids Can?t focus when your not here I see a bit of you in me Em And I need you here with me [Refrão] Nervous when you come this close I?m nervous when you come this close But I really wanna have you close to me But I really wanna have you close to me I really wanna feel your skin I really wanna feel your skin And I just don?t know what And I just don?t know what To say to get you off my mind To say to get you off my mind I think about you night and day I I think about you night and day I Can?t focus when your not here Can?t focus when your not here And I need you here with me Acordes Eb7M
