It didn't get me very far  
Dbm Dbm6 Gbm Abm Gbm E  
'Cause all my problems, they follow me  
E Gbm Abm Ab7  
I flew to the moon, but it wasn't far enough away from you  
Dbm Dbm6 Gbm Abm Gbm B7  
'Cause all our problems, they follow me, yeah, hey, yeah

A Ab7 Dbm Dbm6  
And every night, I close my eyes  
A Ab7 Dbm  
And all my troubles fade  
A Ab7 Dbm Dbm6  
But every morning when I rise  
Gbm B7  
I'm still sleeping in this bed I made, yeah

( E Gbm Abm Ab7 )  
( Dbm Dbm6 Gbm )  
( Abm Gbm E )

One million times inside of my mind  
Abm Ab7  
I have justified

But all my problems still follow me

And I discovered a way to cleverly avoid the blame  
Dbm Dbm6 Gbm Abm Gbm B7  
But all my problems still follow me

A Ab7 Dbm Dbm6  
And every night, I close my eyes  
A Ab7 Dbm

I'm still sleeping in this bed I made

I can't outrun the pain, oh

Should have faced these demons as they came, yeah  
Gbm Abm  
And what I wouldn't trade  
A B7  
To make some room in this bed I made

A Ab7 Dbm Dbm6  
'Cause every night, I close my eyes  
A Ab7 Dbm  
And all my troubles fade  
A Ab7 Dbm Dbm6  
But every morning when I rise  
Gbm B7  
I'm still sleeping in this bed  
Gbm B7  
I'm still sleeping in this bed  
Gbm B7  
I'm still sleeping in this bed I made
