

Allie X - Thats So Us

Tom: Bb

Intro: Cm F Bb Gm
Cm F Bb Gm

Can't do crowds, not our scene

We get anxiety

That's so you, that's so me

That's so us

Wearing black at the beach

Looking pale, feeling chic

Thats so you, That's so me

That's so us

We think that politics are such a waste of time
We've been a wreck together since 2009
We've seen each other naked, seen each other cry
You make me not wanna die

What I like about you baby

Is how you annoy me daily

But you still fucking amaze me

That's so us! That's so us!

Yeah we're both a lot to handle

I'm a Leo, you're a Cancer

We take on the world together

That's so us! That's so us!

We make peppermint tea

And watch Space Odyssey

That's so you, that's so me

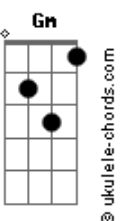

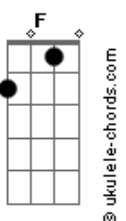

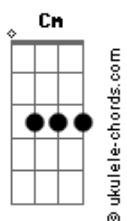

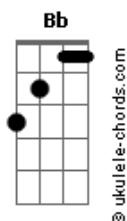

That's so us

And I sing in the car

While you play air guitar

That's so you, that's so me

Acordes

That's so us

We think that politics is such a waste of time
We've been a wreck together since 2009
We seen each other naked, seen each other cry
You make me not wanna die

What I like about you baby

Is how you annoy me daily

But you still fucking amaze me

That's so us! That's so us!

Yeah we're both a lot to handle

I'm a Leo, you're a Cancer

We take on the world together

When I'm sick, when I'm sad

You always bring me back

When you're wild, when you're mad

I'm your girl

Shit gets real, good and bad

But we cry till we laugh

Through the pain, through the fads

That's so us

What I like about you baby

Is how you annoy me daily

But you still fucking amaze me

That's so us! That's so us!

Yeah we're both a lot to handle

I'm a Leo, you're a Cancer

We take on the world together

That's so us! That's so us!
