Tom: D

m (forma dos acordes no tom de Em)

Afinação: D G C F A D [Intro] Am

G F Dm E

A path to follow. Only one direction

My legacy I've passed

I could not find anything able to stop Me  
Time and Death surrendered to me

( Am F Am Dm C B B Am )  
( Am G F G )  
( E G A )

Look at Me! The journey has just begun  
It's not bigger than what you can stand  
You enlisted!

You are in the battlefield  
There is no more time  
Let the memories show you it is worth to go on

Filling in the pages of a new and full history  
A new temple, a new altar  
Knowing the real dimension of love

Of the Love inside of your heart

Of God's Love inside your heart

Think about it! Face the past and yourself before the mirror  
Your return I've signed with my blood

To the enemies raise the sword  
I will always be by your side, holding your hand  
However long the road seems  
To the end we will go

Filling in the pages of a new and full history  
A new temple, a new altar  
Knowing the real dimension of love

Of the Love inside of your heart  
Of God's Love inside your heart

[Solo] E C D B C Am E

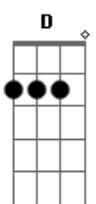

A path to follow only one direction

[Solo] Am F Dm E

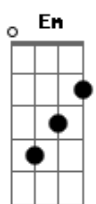

Filling in the pages of a new and full history  
A new temple, a new altar  
Knowing the real dimension of love

[Final] G F G Am  
G F G Am
