Yeah, yeah  
Uh, I hope your lips don't lie

[Primeira Parte]

You're a fighter, I'm the fire  
Make you fall in love in a minute  
You're a leaver, I believe ya  
Told me that you don't do commitment

[Pré-Refrão]

You say it's not real  
But you're really close  
Don't know how you feel  
But baby, I know you know how it's supposed to be

[Refrão]

One hit (one hit), you're mine (you're mine)  
I can tell your lips don't lie  
When you kiss it right back (right back), oh my (uh)  
I can tell your lips don't lie

Lips don't lie, la-la-lie, la-lie, la-lie-lie  
Lie, la-la-lie, la-lie, la-lie-lie (lips don't)

[Segunda Parte]

You're quick (you're quick), I do it slow (so slow)  
But then I let you drive past the limit

But I make you come fast in a minute

[Pré-Refrão]

Met you at 12, dance until 1  
Got at least two, but we're not drunk  
So I know it's real  
And baby, I know you know how it's supposed to be

[Refrão]

One hit (one hit), you're mine (you're mine)  
I can tell your lips don't lie  
When you kiss it right back (right back), oh my (uh)  
I can tell your lips don't lie

Lips don't lie, la-la-lie, la-lie, la-lie-lie (lips don't lie)  
Lie, la-la-lie, la-lie, la-lie-lie (boy, your lips don't)

[Terceira Parte]

I treated you like a friend so you'd feel comfortable  
I treated you like a 10 and now I'm a dub to you (yeah, yeah)  
Told me your secrets, your secrets, show me your fine, though  
Wanna make your business my business, don't tell me lies, though  
And this was up when you found me, my heart was so cold

Yeah, mm, I left you solo

[Refrão]

One hit (one hit), you're mine (you're mine)
