

Aloe Blacc - Hello World (The World Is Ours)

Tom: **D**

Hello world, it's nice to meet you
 I've been waiting for this moment to come my whole life
 Hello world, the past is over
 It's time for us to come together and make the future right

Pre-Refrão
 I had an epiphany one night
 Looking at the endless star-filled sky

Refrão:
 The world is ours
 The world is ours
 Seven billion stars
 (We're all we are, We're all we are, We're all we are)
 We're all we are, We're all we are
 The world is ours

Verso 2:
 Hello world, the sun is rising
 It doesn't matter who you are, the sun still sets the same
 Hello world, undivided

Don't matter if you win or lose, it's how you play the game

Refrão:
 The world is ours
 The world is ours
 Seven billion stars
 We're all we are, We're all we are, We're all we are
 We're all we are, We're all we are
 The world is ours

Ponte:
 From the sky to the sea to the air that we breathe
 From the depths of the earth to the stars
 The world is ours, all ours
 The world is ours, all ours

We're all we are, We're all we are, We're all we are
 We're all we are, We're all we are
 The world is ours
 Seven billion stars
 We're all we are, We're all we are, We're all we are
 We're all we are, We're all we are
 The world is ours
