

Aloe Blacc - I'm Beautiful

Tom: E

E **Abm** **Dbm**
 Sometimes people say things
A
 That they don't really mean
Gbm **E** **A**
 They just might call you names
E
 To lift their self esteem

E **Abm** **Dbm**
 But soon enough, they'll realize
A
 That it'll never work
Gbm **E** **A**
 Because inside they're trying to hide
E
 How much they really hurt
E **Abm**
 But as long as you know who you are

Dbm
 And what you're about
A
 Nothing they say can shake your pride
 And make you doubt
Gbm **E**
 The beauty you have in you
A
 And when they give attitude
E
 You can tell them like this
E **Abm**
 Say, i'm beautiful and spiritual
Dbm **A**
 And i think it's about time to tell you this
Gbm **E** **A**
 I'm gonna be the best me
E
 That i know how to be
