tom:

Intro: **Dm** **Bb** **F**

[Estrofe 1]

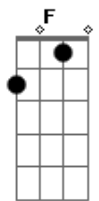

Dm I remember
Bb Our last summer
F When your heart met mine
Dm We were diving
Bb To the ocean
F Always side by side
Dm I hear your world's been getting **Bb** colder, colder
F But through it all I'll be your **F** shoulder, shoulder
Dm And even though we're getting **Bb** older, older
F Remember what we said

[Refrão]

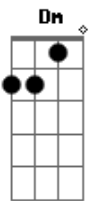

Dm That if the world was ending
Bb You know I'll carry you home (You home)
Dm I'll be the last man standing
Bb To keep you safe from the storm (The storm)
Dm I'll be the light in your darkest night
F Until you know it will be alright
Dm 'Cause if the world was ending
Bb You know I'll carry you home
F I'd go
 Wherever you go
