

# Alphaville - Ain't It Strange

Tom: G

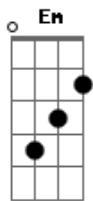

Em Bm  
Ain't it strange that we destroy what we embrace  
Em  
And we leave what we seek  
Bm  
It's such a shame  
Em Bm  
Ain't it strange that we smile when we cry  
Em  
And no one knows why we are here  
Bm  
And where we're going to  
Em Bm  
Ain't it strange  
Em  
We could be, we could be so good together  
Bm  
We could be, we could be so good together  
Em Bm  
Ain't it strange that we share what we hate  
Em  
That we break what we love  
Bm  
It's such a shame  
Em Bm  
Ain't it strange when we pray we betray anyway  
Em  
And no one knows what we are for  
Em  
Why we're so tough why must hurt  
Bm  
When we're so fragile  
Em Bm  
Ain't it strange

Em  
We could be, we could be so good together  
Bm  
We could be, we could be so good together  
Em Bm  
Ain't it strange still we could fall into a dream  
Em  
I'd wish no one will catch that fall for we could fall for love  
Bm  
Life is but a dream, life is but a dream  
Em Bm  
All the tears in the world not in vain for the pain is gone  
Em  
The shame is washed away when we're all one  
Bm  
Life is but a dream, life is but a dream  
Em Bm  
It's hard to believe after thousand of years  
Em  
The world's still drowning in blood and tears  
Bm  
We've been quite advanced but again we fail  
Em Bm  
It's dog eat dog on the rat rave trail  
Em  
It's getting too much and we're getting nowhere  
Bm  
While hatred and fear is all that we share  
Em Bm  
I can't take it no more when I'm watching the news  
Em  
We must stick together or we're bound to lose  
Em  
Now listen to this.....  
Bm  
We could be, we could be so good together
