

Alphaville - Oh Patty!

Tom: C

F
Patti can't take it, she gotta give it back
Dm The world is a big place and she's frightened
F And if you kiss her, she gotta kiss you back
Am She couldn't stand a kiss for free - on her own
Bm And while she's playing Dm with all she exchanged
A Yawning at the multitude
Bm Her world is a big place
Dm Full of toys and boys and teddy bears
F Where nothing is for free
F2 G A
That's what her mother told her once
A

And Patti has a big, big heart
E Bigger than her life
Gbm She just forgot the most fantastic things within
Ebm She's sitting in her glass house
Gbm And she does not dare to throw the stone
Db To make it all come true
A B Db
Of what she's dreamin' of and so it seems to me
Db Ab
Patti can't take it, she gotta give it back
Bbm F F7
Her world is a big place and she's frightened
Db Ab
But if you love her maybe she'll accept
Fm Eb
Maybe she'll take your love for free
On her own
Em
All alone
