

Alphaville - The Voyager

Tom: **A**

Intro: DUÇÃO: **E C D A**

E
Now she's touched the earth -- you feel her love
C
D

A
Pouring down like an endless rain of colours on your skin
E

C
She descends out of the blue, a breathless victor of time
D

A
After more than a million lightyears preparing her comeback
E

And she's rushing in from the outside
C

On the crest of the seventh wave
D

She's the crown of creation creating you
A

Chorus:

E
The Voyager! is here to stay
C

The Voyager! she's calling all stars

D
The Voyager! she's riding a rainbow
A

The Voyager! gives you the kiss of life

E
Watch out, you can't ignore what's going on
C
D

A
When your visions are drying out like the oceans of from the underworld

Don't you know! Before you turn to stone
E
C

You better head out for a Royal trip to the Ivory city-side
D
A

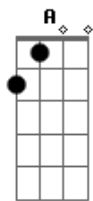

And she's rushing in from the outside
E
C

On the crest of the seventh wave
D

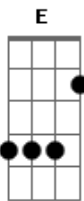

She's the crown of creation creating you
A

(chorus)
