gtr1
VERSE:
                                                             gtr2
            Ebm
Db
Fight the fight alone
                                                             PRE-VERSE: Db Ebm Bbm , Db Ebm Bbm
Bbm
When the world is full of victims
Db
        Ebm
                                                             gtr2 fade out
Dims a fading light
    Bbm
                                                             gtr1
In our souls
           Fbm
Db
Leave the peace alone
                                                             Bbm
                                                             .lol
How we all are slowly changing
                                                             gtr1
         Fbm
Db
Dims a fading light
      Bbm
                                                             VERSE 2:
In our Souls
                                                                          Ebm
                                                             Db
                                                             Cry ourselves to sleep
gtr1
                                                             Bbm
                                                             We will sleep alone forever
                                                             Db
                                                                       Ebm
gtr1
                                                             Will you lay me down
                                                                  Bbm
                                                             In the same place with all I love
gtr1
                                                             Db
                                                                        Ebm
                                                             Mend the broken homes
                                                             Bbm
gtr1
                                                             Care for them they are our brothers
                                                                       Ebm
                                                             Db
                                                                                   Bbm
                                                             Save the fading light in our souls
PRE-CHORUS:
             Gb6
                       Bbm
                                                             gtr1
Ab
In my opinion seeing is to know
Ab
the things we hold
                                                             gtr1
   Gb6
                   Bbm
are always first to go
                                                             gtr1
