Alter Bridge - One Day Remains Intro

Tom: E

Tabbed by: Nick Whittenburg Email: $\ensuremath{\textbf{D}}$

Tuning: Standard

Awesome Tremonti riff, I got sick of wanting to be able to play it so I sat down for about an hour and this is what I came up with.

Distortion and some sort of slow wah effect Straight 16th notes, Tempo = 142

Acordes

hold

The verse is the same riff palm muted the whole way through, after you're on your own until I or someone else gets out with the rest of it.
