

Altemar Dutra - Vá Mas Volte

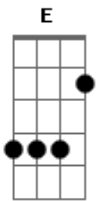

Tom: A

(E A E A Bm Dbm E7)

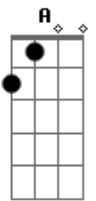

Não é preciso,
 Você dizer,
 Eu sei chegou a hora,
 Só resta então dizer adeus,
 E ir embora,
 Pelos caminhos desse mundo,
 Sem final,
 Não, não diga nada,
 Leve o sorriso,
 Não, não diga nada,
 Leve o sorriso,

Eu espero a sua volta,
 Pois para mim o que interessa,
 O que importa,
 É que um dia você volte, pra ficar,
 Vá, conheça, tudo que não pude oferecer,
 Vá pela vida adormecida dos seu olhos,
 Pela avenida, ao encontro das ilusões,
 E quando você se cansar,
 Das coisas que conhecer,
 Traga, seu corpo cansado,
 Descanse em paz,
 Nos braços meus.
