

Amanda Hikague - Die Alone

tom:
Abm

Intro: Ebm

Another day has gone by
How can you be on my side?
I don't think I'll survive
Walk me out while there's time
The clock is ticking, bye-bye
You should've known in the first fight

Abm Dbm
No one can stand to stay this long (no one can stand)
Eb Abm
Oh, you were meant to be alone (meant to be alone)
C#m.
Forget the kids, the one, the car (kids, the one, the car)
Eb Abm
You're only good to play guitar (only good to play guitar)

Dbm
Go make a name out on the streets
Eb Abm
Yeah, get that plane, it's best to leave
Dbm
Your friends may hate what you've become
Eb Abm
But we were born to die alone

B E
Born to scream this song with the people I belong
Abm E
Born to feed my soul every dream I've ever known

B Ebm
My phone is ringing full-time
Abm B Gb
Even though I'm out of town (no, no)
Eb
You tell me life is right now
Abm B Gb
And I'd still be checking out (no, no)
