

Amanda Lacerda - Kissing You

tom:

C
[primeira parte]

C G
I think about you everyday
Am G
And i hope that we could stay together but

You live too far away
C G
Actually, it?s just 4,000 miles
Am G
And i think we?ll be just fine

Ok, it sucks i?m not gonna lie
[pré-refrão]

F C
I don?t know why i feel this way but
Dm G
Your eyes, your smile and everything you say make
F C
Me miss the feeling of your arms around me
Dm G
Just looking our pictures on my wall can?t warm me
[refrão]

C
Facetime is not enough for me cause
G
I need more i need you here with me
Am
And now i?m asking myself where this is gonna end
G
I hope the answer is you being more than a friend
C
I wanna steal your hoodies, feel your scent
G Am
I?m so sick and tired of pretending i don?t love you
Oh you know that i do
G C
And now i can?t help dreaming of kissing you
G Am G C
Kissing you

(G Am G)

[segunda parte]

C G
You always help me through it all
Am
And even miles apart
G
You know the right time to make a call
C G
When i?m with you i feel alive yeah
Am G
I?m into you i can?t deny

[pré-refrão]

F C
I don?t know why i feel this way but
Dm G

Your hair, your body, everything you say make me miss

(G Am G)

[ponte]

F C
I love feeling your heartbeat close to mine
Dm
Spending the day together outside
G
I miss when our fingers were interlocked
F
And the jokes that you told me as we walked
C
I feel butterflies when our eyes meet
Dm
And i want to breathe the same air you breathe
G
Now look me in the eyes and say
Please say you want me the same way

[refrão]
