Amaranthe - Burn With Me

Tom: Bb

 (forma dos acordes no tom de G)
Capostraste na 3ª casa
Intro:

```
Em
     You are gone to the highest bidder
G                                   D
Now you're with a man that is gods worst sinner
D
Well no, don't care about me
C
I was just the man who meant to set you free
Em
I tried to
Em
Make you a part of me
G
I even told you what would happen theoretically
     D
There is this something that I need to know
C
Why am I the only one that lost it all
Em
But every day and every time I turn around
G
Searching for a place
             D
That I have left behind
D           C
And all I wanna believe
C
That you could bleed so

Em          G
Burn with me
     D
I'm just an empty shell
D
Another's friend
C
Transformed to someone else
Em       G
Take your seat
     D
I cast a spell
         C
So you'll be less like you
             Em
And more like someone else

Em
Ones life is another's dream
G
What someone says a myth is one's normality
    D
How can I

Believe there's another sun
C
Correct me if I'm wrong but I'm the chosen one
Em
As night has taken what is left of day
 G
```

```
And everything is like it's made of clay
D
I feel like I am the only one
C
Feeding my need to be reckoned as someone
Em
And every day and every time I turn around
G                           D
Searching for a sign so I can make a sound
                     C
But all I want is to flee I wanna see you

Em       G
Burn with me
        D
I'm just an empty shell
D
Another's friend
C
Transformed to someone else
Em       G
Take your seat
        D
I cast a spell
             C
So you'll be less like you
                   Em
And more like someone else

( Em  G  D  C )
( Em  G  D  C )

Em       G
Burn with me
        D
I'm just an empty shell
D
Another's friend
C
Transformed to someone else
Em       G
Take your seat
        D
I cast a spell
             C
So you'll be less like you
                   Em
And more like someone else

Em       G
Burn with me
        D
I'm just an empty shell
D
Another's friend
C
Transformed to someone else
Em       G
Take your seat
        D
I cast a spell
             C
So you'll be less like you
                   Em
And more like someone else
```
