

Amarildo Silva - Conto de Luar

Tom: G

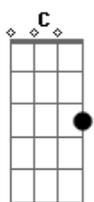

Amanheceu vida minha
 Paixão e sol que clareia
 Quanta poesia eu fiz pra te dar
 Pra quantos lugares quis te le var
 Nesta distancia de fim de mundo
 A vida parece parar
 Só seus olhos claros não me abandonaram

Pra dizer poema ao luar
 Ver um arco-iris no céu
 Muita história ainda tenho a contar
 Do tempo que eu vivi em teu olhar
 Pelos caminhos de Minas
 As coisas são mesmo assim
 Dia, noite, ventania
 E um conto de luar pra cantar
