

Amarildo Silva - Ventos do Norte

Tom: G

Intro: G C7 Cm G Gm Am D G C7 Cm G Gm Am D G C

Queria tanto ser bafejado
Pelos ventos do norte

Queria tanto ser alcançado

Pelo sopro da sorte

Queria ser embalado

Pela brisa da beleza

E viver embriagado

Pela natureza

Queria a magia do encantamento
E a eternidade de um momento

Ser atingido pelo intraduzível

E viver sob a luz do imprevisível

Queria tanto uma surpresa de arrepiar

E ser fulminado pelos raios de um olhar

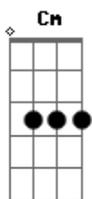

Queria ser abatido

Pela seta de um amor inesperado

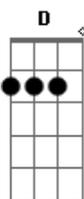

E ser consumido pelo fogo

De um coração apaixonado
