

Amber Run - Kites

Tom: E

Intro: Dbm B E A
Dbm B A A

Unshowered and breathless

Baffled and careless

With eyes that seem stained by soot

You're sure that you're blameless

The truth is you're helpless

And the worst part is you can't see that you are flawed

Oh and I

Was sure that you were meant for so much more

Oh brother

Where are you now?

And is this really what you wanted?

And I hope that you notice

It was you who chose this

E

And there's nothing in your life that has forced this world on you

Oh and I

Was sure that you wet meant for so much more

Oh brother

Where are you now?

And is this really what you wanted?

Because you seem to me

A bird without wings

A kite without a string

Oh brother

Where are you now?

And is this really what you wanted?

Because you seem to me

A bird without wings

A kite without a string
