 Intro: Dm G7 C Am7
 Dm G7 C Am7

[Primeira Parte]

It was a very long time ago
 We set sail, on a one man boat
 And all the while we go, stories etched out
 On the waters flow

[Pré-Refrão]

John did not know his name
 And Matthew spoke of his feeble frame
 "My Luke! The navigator"
 Well he drew Mark's finger towards the equator

[Refrão]

And I, I could not wait for you to see
 And I, I could not wait for you to hear the sounds of the
 ocean waters
 Crashing against the headland
 And the earth congratulating the mainland

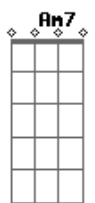

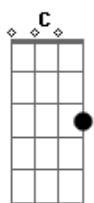

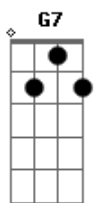

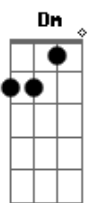

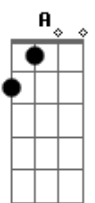

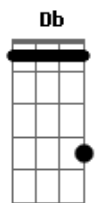

[Final]

Ayy, oh
 Ayy, oh

[Segunda Parte]

Since we've been gone so long

Acordes

I can't recall the words to my own songs
 Th? crusaders say I'm doing fine
 And the guitar's roaring down lik? a fine wine
 The voice, the voice of an angel
 Conjured up from the depths of hell
 One thing I forgot to ask them
 Was when did this boat become so ecclesiastical
