

Amble - Luke The Navigator

tom:

Db (forma dos acordes no tom de A)

Capostrate na 4ª casa

Intro: Dm G7 C Am7
Dm G7 C Am7

[Primeira Parte]

It was a very long time ago
We set sail, on a one man boat
And all the while we go, stories etched out
On the waters flow

[Pré-Refrão]

John did not know his name
And Matthew spoke of his feeble frame
"My Luke! The navigator"
Well he drew Mark's finger towards the equator

[Refrão]

And I, I could not wait for you to see
And I, I could not wait for you to hear the sounds of the
ocean waters
Crashing against the headland
And the earth congratulating the mainland

[Final]

Ayy, oh
Ayy, oh

[Segunda Parte]

Since we've been gone so long

I can't recall the words to my own songs
Th? crusaders say I'm doing fine
And the guitar's roaring down lik? a fine wine
The voice, the voice of an angel
Conjured up from the depths of hell
One thing I forgot to ask them
Was when did this boat become so ecclesiastical
