Capostrate na 1ª casa

Intro: **D G Bm A**

[Primeira Parte]

**D**  
The night is cold  
**G**  
But now we have to go  
**Bm**  
The bundle in yours arms I know  
**A**  
It weighs the world  
**D**  
The star that shines  
**G**  
Will be our only light  
**Bm**  
The moon can't face the sight  
**A**  
Of our child alone

[Refrão]

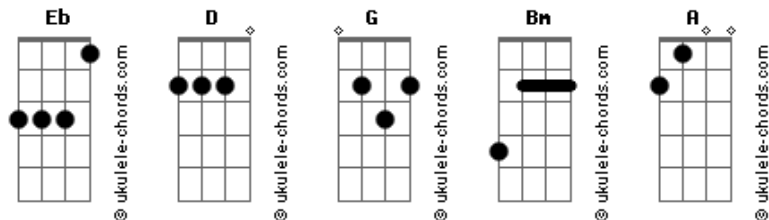

**D**  
And all I ask  
**G**  
Is the joy we had  
**Bm**  
And all I ask  
**A**  
We remember that

( **D G Bm A** )  
( **D G Bm A** )

[Segunda Parte]

**D**  
Remember back  
**G**  
Those days in Sonny's lands  
**Bm**  
We worked until our blackened hands  
**A**  
Wouldn't wash away  
**D**  
If we knew then  
**G**
