 Capotraste na 5ª casa

Flyin' me back to Memphis

Gotta find my Daisy Jane

Well, the summer's gone  
 And I hope she's feelin' the same

Well, I left her just to roam the city

Thinkin' it would ease the pain

I'm a crazy man  
 And I'm playin' my crazy game, game

Does she really love me  
 I think she does

Like the stars above me  
 I know because

When the sky is bright  
 Everything's alright

Honey, keep the oven warm

All the clouds are clearin'  
 And I think we're over the storm

Well, I've been pickin' it up around me

Daisy, I think I'm insane (Daisy, I think I'm insane)  
 And I'm awful glad  
 And I guess you're really to blame, blame

Do you really love me  
 I hope you do

Like the stars above me  
 How I love you

When it's cold at night  
 Everything's alright

Does she really love me  
 I think she does

Like the stars above me  
 I know because

When the sky is bright  
 Everything's alright
