

# America - It's Life

Tom: G

(intro) Em G

The child wakes  
each moment of sadness for own sakes  
living, trying is best to believing  
hoping this dream will come true  
sadness it's only a face for you  
I try like a devil to every mains  
anything for you  
In only a moment your life can change  
Still lake  
rocking above, it is no to late  
living, trying is best to believing  
hoping this dream will come true  
sadness it's only a face for you  
I try like a devil to every mains  
anything for you

Em D C  
In only a moment your life can change

Yes it's true

( A Em A Em )

You fell of the window  
and now on the floor  
you find the direction  
you a quite seem move  
with your life  
taken every want to do  
The people are pretty  
the flowers are too  
prompt to your heaven  
if you don't say you do

G B C  
Cause it's life and it's taken every want to do

and it's true

G Gb E D  
I'd like to take you but i don't tempt it's ruin for two
