

America - Sandman

Tom: C

Ain't it foggy outside,
all the planes have been grounded.
Ain't the fire inside?
Let's all go stand around it.
Funny, I've been there,
and you've been here
and we ain't had no time to drink that beer.

'Cause I understand you've been running from the man
that goes by the name of the Sandman.
He flies the sky like an eagle in the eye
of a hurricane that's abandoned.

I understand you've been running...

Ain't the years gone by fast,
I suppose you have missed them.
Oh, I almost forgot to ask,
did you hear of my enlistment?
Funny, I've been there,
and you've been here
and we ain't had no time to drink that beer.

'Cause I understand you've been running from the man
that goes by the name of the Sandman.
He flies the sky like an eagle in the eye
of a hurricane that's abandoned.

I understand you've been running... (repeat and fade)
