**Am** **C**  
I'm born to run down rocky cliffs  
**Em** **F**  
Give me grace, bury my sins  
**Am** **C**  
Shattered glass and black holes  
**Em** **F**  
Can't hold me back from where I need to go  
**Am** **C**  
Yellow hills and valleys deep  
**Em** **F**  
I watch them move under my feet  
**Am** **C**  
Stranger things have come and gone  
**Em** **F**  
To see the world and take the throne

N.C.

Don't hold back  
Oh, I won't hold back

I'm gonna live my life like I'm gonna die young

Like it's never enough, like I'm born to run

A winding road where strangers meet  
**Em** **F**  
To feel the love of a warm drink  
**Am** **C**  
My body moves, it's speaking loud

Don't have to say what I'm thinking now
