

# Amira Elfeky - A Dozen Roses

tom:  
A dozen roses sent to me  
Am  
I cut myself to watch me bleed

Em  
You tell me that I'm so pretty  
Am  
You hold my face and kiss my cheek

Em  
But what the fucks that mean to me  
Am  
When beauty only feels skin deep

Em  
No I will never love myself  
Am  
Like I love you

**Em**      **Am**                                  **Em**

You, you're the love of my life

**Am**

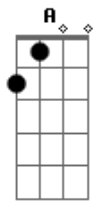

Don't leave me here to die

Em  
Tell me it won't kill  
Am  
Tell me I won't die  
Em  
Tell me that you love me  
Am  
That it's okay to cry

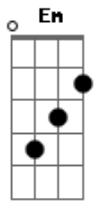

Oh I promise that I'm sorry  
I never meant to lie  
I never wanted you to leave  
I'm just no good with goodbyes

Em Am Em  
You, you're the love of my life  
Am Em  
Don't leave me here to die  
Em Am Em  
You, you're the love of my life  
Am  
Don't leave me here to
