

Amorim - Desmotivacional

tom: E

Tudo me leva a seguir
 Com tanta pressa de chegar
 E o pódio já não é o lugar
 Que a noite pinta em sonhos para mim
 Se escuto que é pra persistir
 Manter o foco e superar
 Sonho foi feito pra realizar
 Mas como se eu mal consigo dormir?

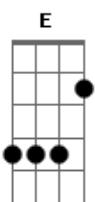

A Ontem mesmo eu pensei
 Abm7 Dbm7
 Cê podia vir aqui

Gbm7
 Chegar bem pertinho e me dizer
 Am
 Qualquer frase desmotivacional

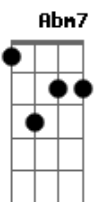

E Uh, uh, uh... uh, uh, uh
 Abm7 Gbm7 B7
 Dois pés no freio em meu peito desigual
 E Uh, uh, uh... uh, uh, uh
 Abm7 Gbm7 B7
 Essa loucura não tem nada de normal
 E Uh, uh, uh... uh, uh, uh
 Abm7 Gbm7 B7
 Mantenho firme a fé no meu potencial
 E Uh, uh, uh... uh, uh, uh
 Abm7 Gbm7 Am
 Mas hoje eu quero algo desmotivacional

[Solo] E Abm7 Dbm7 Abm7
