

Amy Winehouse - Half Time

Tom: A

maj7 Bm7b5 C7M Dm7
Simple, sweet guitar
C7M Bm7b5 A7M
Humbled by the bass
A7M Bm7b5 C7M Dm7
So, when the beat kicks in
C7M Bm7b5 A7M
Everything falls into place
Dm7 Bb75 A7
And it overpowers me
Dm7 Bb75 A7
I can't help but dance
Dm7
You can try to stop me now
A7M Bm7b5 C7M Dm7
But you won't get the chance

A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change
Dm7 Em7
Seek it from a different view
A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change

A7M Bm7b5 C7M Dm7
Rhythm floods my heart
C7M Bm7b5 A7M
The melody it feeds my soul
A7M Bm7b5 C7M Dm7
The tune tears me apart
C7M Bm7b5 A7M
And I swallow it whole
Dm7 Bb75 A7
You should thank your lucky star
Dm7 Bb75 A7
Cause the music is a gift
Dm7

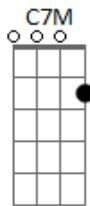

And it's stronger than all else
A7M Bm7b5 C7M Dm7
Provides me with the bliss

A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change
Dm7 Em7
Seek it from a different view
A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change

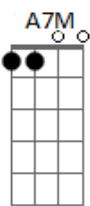

A7M Bm7b5 C7M Dm7
My lyrics revealing
C7M Bm7b5 A7M
Some natural vibe
A7M Bm7b5 C7M Dm7
It's a kind of laid back feeling
C7M Bm7b5 A7M
Oh just let it ride
Dm7 Bb75 A7
And when Frank Sinatra sings
Dm7 Bb75 A7
It's too much to take, yeah
Dm7
So I sing the standard shit
A7M Bm7b5 C7M Dm7
It pacifies my ache

A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change
Dm7 Em7
Seek it from a different view
A7M Dm7 Em7
Halftime, time to think it through
A7M
Consider the change
