

Amy Winehouse - Half Time

Tom: A

maj7 Bmb5 C Dm
Simple, sweet guitar
C Bmb5 A
Humbled by the bass
A Bmb5 C Dm
So, when the beat kicks in
C Bmb5 A
Everything falls into place
Dm Bb75 A7
And it overpowers me
Dm Bb75 A7
I can't help but dance
Dm
You can try to stop me now
A Bmb5 C Dm
But you won't get the chance

A Dm Em
Halftime, time to think it through
A
Consider the change
Dm Em
Seek it from a different view
A Dm Em
Halftime, time to think it through
A
Consider the change

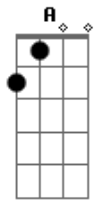

A Bmb5 C Dm
Rhythm floods my heart
C Bmb5 A
The melody it feeds my soul
A Bmb5 C Dm
The tune tears me apart
C Bmb5 A
And I swallow it whole
Dm Bb75 A7
You should thank your lucky star
Dm Bb75 A7
Cause the music is a gift
Dm

And it's stronger than all else
A Bmb5 C Dm
Provides me with the bliss
A Dm Em
Halftime, time to think it through
A
Consider the change
Dm Em
Seek it from a different view
A Dm Em
Halftime, time to think it through
A
Consider the change

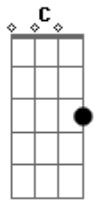

A Bmb5 C Dm
My lyrics revealing
C Bmb5 A
Some natural vibe
A Bmb5 C Dm
It's a kind of laid back feeling
C Bmb5 A
Oh just let it ride
Dm Bb75 A7
And when Frank Sinatra sings
Dm Bb75 A7
It's too much to take, yeah
Dm
So I sing the standard shit
A Bmb5 C Dm
It pacifies my ache

A Dm Em
Halftime, time to think it through
A
Consider the change
Dm Em
Seek it from a different view
A Dm Em
Halftime, time to think it through
A
Consider the change
