

## **Amy Winehouse - Help Yourserf**

```
Tom: B
                                                                                                                                                                                                                                                     So you think you're clever-er than me
                                                                                                                                                                                                                                                  But I'm not just some drama queen
Intro:
                                                                                                                                                                                                                                                  Cos it's where you're at not where you've been
A D E (x2)
                                                                                                                                                                                                                                                  So what do you ex-pect from me
Verse 1:
                                                                                                                                                                                                                                                        Dbm
                                                                                                                                                                                                                                                  To hold your head a-bove the sea
                                                                                                                                                                                                                                                                                                                       D
   When I walk in your shoes
                                                                                                                                                                                                                                                  And there are you even though you're bigger
                                              E
I understand a man confused
                                                                                                                                                                                                                                                 Cos don't you know you crush my tiny figure
There must have been but I don't care
                                                                                                                                                                                                                                                 Bridge 2:
    Dbm E
I feel the way your soul does there
                                                                                                                                                                                                                                                                \mathsf{Bm}
                                                                                                                                                                                                                                                                                                           E7
                                                                                                                                                                                                                                                 And anyway we're still so young
                       D
   Darling they empathise
                                                                                                                                                                                                                                                                                               E7
                                                                                                                                                                                                                                                 And this isn't yet the day
  Looking through your bloodshot eyes
                                                                                                                                                                                                                                                 Chorus 2:
                                                                  D
  And I know you you're so frustrated
                                                                                          Ε
   Above we all become what we once hated
                                                                                                                                                                                                                                                    I can't help ya
                                                                                                                                                                                                                                                    If you won't
Bridge 1:
                                                                                                                                                                                                                                                                     A D E
                                                                                                                                                                                                                                                    Help your-self
