Today, my bird flew away,

Ava was the morning, now she's gone,

She's re-born like Sarah Vaughan.

Em C#mb5 Gb7 B7
In the sanctuary, she has found,
Em C Am D7
Birds sur-round, her sweet sound.

Bm C
And Ava flies, in paradise,
Bm C
And Ava flies, in paradise.

Bm
With dread, I woke in my bed,
Am
To shooting pains up in my head.
Bm
Lovebird, my beautiful bird,
Am

Spoke until one day,
C
She couldn't be heard.

She spoke until one day,

She couldn't be heard,
Bm C
She just stopped singing.
