

Amy Winehouse - What Is It About Men

Tom: **A**

(acordes na forma do tom **G**)
Capostrate na 2ª casa
CAPO 2nd FRET

(Original Key: **B**)

Verse 1:

Am
Understand,
G
Once he was,
A family man.
So surely,
F
I would never,
Ever go through,
Am
It first hand.

Am
Emulate all,
G
The shit my,
Mother hated.
I can't help,
F
But demonstrate,
Am
My Freudian fate.

Verse 2:

Am
My alibi for,
G
Ta-king your guy,
F
History re-peats itself;
Am
It fails to die.

Am
And animal,
G
Aggres-sion is,
My downfall.
I don't care,
F
'Bout what you got;
Am
I want it all.

Chorus 1:

Am
It's bricked up,
In my head,
G
And shoved,
Under my bed.
Am
And I question,
Myself again;
G
What is it,
'Bout men?

Am
My destructive side,
G
Has grown a mile wide,
Am
And I question,
Myself again;
G
What is it,
'Bout men?

What is it,
Am **E7#9**
'Bout men?

Verse 3:

Am
I'm nurturing,
I just wanna,
G
Do my thing.
F
And I'll take,
The wrong man,
As naturally,
Am
As I sing.

Am
And I'll save,
My tears for,
G
Uncover-ing,
My fears.

Patterns that,
Am
Stick o-ver the years.

Chorus 2:

Am
It's bricked up,
In my head,
G
And shoved,
Under my bed.
Am
And I question,
Myself again;
G
What is it,
'Bout men?

Am
My destructive side,
G
Has grown a mile wide,
Am
And I question,
Myself again;
G
What is it,
'Bout men?

Am
Ooh, it's bricked up,
In my head,
G
And shoved,
Under my bed.
Am
And I question,
Myself again;
G
What is it,
'Bout men?

Am
My destructive side,
G
Has grown a mile wide,
Am
And I question,
Myself again;
G
What is it,
'Bout men?
What is it,
Am **G**

'Bout men?
