

# Ana Hazl - I'm a Good One

tom:  
Bm  
I hope to God that she sees it on my face

When she looks at me that way

[Bm A Em G A] (2x)

Bm A  
She is the greatest advice

Em Bm  
All I have to say and all that comes to my mind

A Em  
I hope she knows she is divine

G A Bm  
I hope she knows she is the one for my kind

A Em G A  
Girl, you know you are divine

Bm A  
And I hope to God that she sees it on my face

Em  
When she looks at me that way

G  
Oh, God, I'm afraid

A Bm  
You won't take my girl from me

A  
I will love her anyway

Em  
She tells me she's afraid

G  
I tell her it's okay

A Bm  
But they love to chase me

A  
Oh no

Em G A Bm  
Oh no oh oh

(Pausa)

Bm  
And I love her lips, her kiss

A  
And the way she looks at me

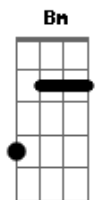

Em  
Girl, they say I'm just a kid

G A Bm  
Who is playing with the devil disguised in jeans

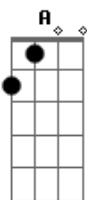

A  
But she is just so beautiful

Em
