

Anah Tilibra - Dreams Come True

Tom: G

There's a lot, I haven't said to you
 You're the reason I make things the way I do
 If I could talk, I know it won't be long
 I just don't know what to put in this song

Don't give up now
 It's just the start of something

It really is something
 Don't give up now
 I swear it all be worthy
 When you see me

On a white dress
 Walking to the ceiling
 With my father beside me
 Everybody seeing our
 Dreams coming true
 Oh, our dreams coming true

On a white dress
 Flowers in my hand
 A gold ring on my left hand

Im so thankful I have stayed there
 Waiting for you
 I know, our dreams will come true

How lucky I am
 To have something to lose
 With just a touch of your hand
 You make me pray for you don't

Forget the white dress
 The walk to the ceiling
 Look my father beside me
 Everybody now is screaming
 They're dreams are coming true
 Oh, our are dreams coming true

Oh, that white dress
 How lucky I am
 I look at all our story
 I'm so thankful I have stayed
 Waiting for you
 Now I know, dreams do come true
 Now dreams do come true
