

Anavitória - Coração Carnaval

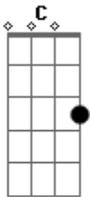

tom:
C

Meu coração carnava**C**
 Faz de tu minha marchinha favorita
 Te convida pra sambar na sintonia
 Do meu peito quando tu se aproxima

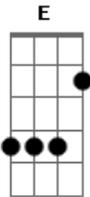

Meu coração carnava**C**
 Sapateia apressado no teu ouvido
 Incendeia embaixo do meu vestido
 Se tu faz aquele teu meio sorriso

(F C G Em)
 (F C Am G C)
