

André Luiz Monteiro - Renascer

tom:

A

Renascer

Ter com o mar

Seixos, sol

Vela e sal

Renascer frente ao mar

E o sol desabar

Desaguar toda dor pra que eu

Possa sentir

D E A Abm

Sua correnteza enfim

Que banhou meu litoral

Veio a me desbravar

Me inundou com o mar do

Amor

D E A Abm

Sua brisa que em mim

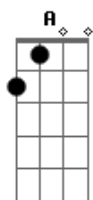

Se tornou um vendaval

Revolvendo o meu penar

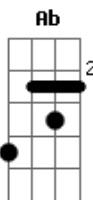

Que ocultei para então me fazer

Renascer
