

Andre Matos - Endeavour

Tom: Eb

Cm
The aftermath of disaster strikes down to the Earth
Time is life's destroyer
Cm
A transitional mixing connecting us all
As we split forever in two and the wheels keep turning...
Cm
Suspended in time as you glide through the air
See your body below you
Cm
Feelings no longer hurt no more fears within
Let me fly together with you and the wheels keep turning...

Ab **Eb**
Stand forever in the rain
Ab **Eb**
Watch the sun break through the sky
Ab **Cm**
If this world has let you down
Take a leap to higher ground
Fm **Gm** **Cm**
Cause your heart will never die!
Cm **Gm**
Conscience wakes to remind you the rule of the game
There's no turning back now
Cm **Gm**

You'll become someone else your perceptions will change
Let me change forever with you and the wheels keep turning...
Ab **Eb**
Stand forever in the rain
Ab **Eb**
Watch the sun break through the sky
If this world has let you down
Take a leap to higher ground
Cause your heart will never die!
Fm **Eb** **Ab**
These nights of thunder
Won't come back just disappeared
These nights of thunder, so dark
Made visions become clear!
Fm **Eb** **Ab**
Endeavour always
Leads so far beyond scene
Endeavour always sows love...
The struggle ends up here
