

André Moura AlmaGuitars - Miss You

tom:
Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb

I never thought what it would be like
I ever thought I would have more time
And even though things aren't that easy
Your memories are still with me
Even with this distance
I still feel you here
Every thought of missing
You are part of me
No coming back or choice

At least I have your voice
And everything seems so far away
And in my mind, I find the things you say
In many ways to live this life
How I miss you by my side
Even with this distance
I still feel you here
Every thought of missing
You are part of me
No coming back or choice
At least I have your voice
