               Gb (forma dos acordes no tom de G)
                          Afinação: Eb Ab Db Gb Bb Eb
 I never thought what it would be like
                        D
  I ever thought I would have more time
 And even though things aren't that easy
                             Cadd9
  Your memories are still with me
   Even with this distance
Cadd9
I still feel you here
                  Em
   Every thought of missing
Cadd9 D
You are part of me
   No coming back or choice
Cadd9 D
```

```
At least I have your voice
 And everything seems so far away
                         D
  And in my mind, I find the things you say
 In many ways to live this life
              D
  How I miss you by my side
   Even with this distance
Cadd9
        D
I still feel you here
   Every thought of missing
Cadd9 D
You are part of me
   No coming back or choice
Cadd9 D
              G
At least I have your voice
