André Moura AlmaGuitars - Way Out

Tom: E

m
Intro: Bm C D Em

  Bm   C   D   Em
I have no voice to call my way
  Bm   C   D   Em
Did I have choice when they did that to me?
          Bm   C   D   Em
I'm just trying to forget every memory I have
      Bm   C   D   Em
It's not a sad song, I just wanna know where I belong

          Bm   C   D   Em
Cause you know I feel, there's a way out
C   Am   Bm   Em

Every freak memory, it's not what I know about
Bm   C   D   Em
There's no heal, in this way I will
C   Am   Bm   Em
God I ask you bless me, I'm not standing still

  Bm   C   D   Em
There are many things that I could say
  Bm   C   D   Em
They are lessons I've learned in my way
  Bm   C   D   Em
Or some reasons that I could find,
  Bm   C   D   Em
But have no reason, is a reason of mine

[Solo] Bm C D Em C Am Bm Em
