

Andre Parisi - Voa Borboleta

tom:

A

Bem vindo
A borboleta veio me saudar

Sorrindo
Desabrochando nesse meu cantar

Pousou
No meu cabelo e me disse olá

Que benção
Sua presença me faz encantar

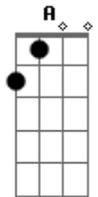

Voa borboleta voa

Siga o seu voo para me curar

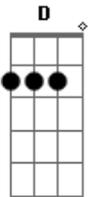

Voa Borboleta ensina
A medicina de se transformar

Ana hana haya
Ana hanaya
Ana hana haya
Ana hanaya
