

# Andrea Corr - Tomorrow In Her Eyes

Tom: **C**

Intro: **E A D G B**

**C**  
I see tomorrow in her eyes

And where my future lies

So I don't need a crystal ball

**Dm** At all because I've seen tomorrow

**C**  
In her eyes

**C**  
Whenever life tears us away

I'll hold on to the words we say

And if I have to wait awhile

**Dm** Then I'll be dreaming of tomorrow

**C**  
And her smile

**Dm**

Someday soon love

**F**  
Someday soon love

**Am**  
There'll be time for you and I love

**C**  
And time shall hold no sad surprise

More hellos than goodbyes

So I don't need my fortune told

**Dm** I know because I've seen tomorrow

**C**  
In her eyes

No, I don't need a crystal ball

**Dm** At all because I've seen tomorrow

**C**  
In her eyes

**G**  
I've seen tomorrow in her eyes
