

Andrew Belle - Pieces

Tom: C

You and me
 Got ourselves a problem
 I can see this
 Better than I solve 'em
 I believed
 I found a way around it
 I will leave
 This better than I found it

[REFRÃO]
 There's too much smoke to see it
 There's too much broke to feel this
 Well I love you, I love you
 And all of your pieces
 There's too much smoke to see it
 There's too much broke to feel this

Well I love you, I love you
 And all of your pieces
 History's
 A letter made of scarlett
 Victories
 Look better when you've called it
 Misery's
 The moment when I lost you
 Its pleasure in a costume
 Its more than what it cost you

[REFRÃO]
 All of your pieces
 All of your pieces
 All of your pieces
 All of your pieces
