

Andrew Brantt - Dark Brown Eyes

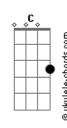

```
tom:
                G
        [Refrão]
I am lovesick about you
Maybe I'll miss spending time with you, oh
Catch me, I am falling too
Hold my hand so we could fight the blue
[Primeira Parte]
If you know me you know I hate writing
About love cause makes me feel
Like I'm such a lovesick
The truth is that I'm kinda sick
I think she really pushed the bounds of my soul
And I know I'm kinda depressed and obsessed
And I hope we could work this out together
'Cause I want to feel better with you
But I don't want you to feel bad
About all the things we went through
[Refrão]
Guess I am lovesick about you
Maybe I'll miss spending time with you, oh
Catch me, I am falling too
Hold my hand so we could fight the blue
[Segunda Parte]
The funny thing is that
```

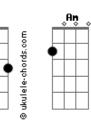

She doesn't even know this song is for her Maybe is gonna be this way forever Mushroom clouds blurry the right side of my brain I thought I could care less about it [Ponte] I am lovesick about you Maybe I'll miss spending time with you, oh Catch me, I am falling too Hold my hand so we could fight the blue [Refrão] And I am feeling this is true Makes me feel like I can do anything Catch me, I am falling too Hold my hand so we could give ourselves a truce Hold my hand so we could give ourselves a truce [Final] I know this one's not the best B7 I know I should put myself to rest I wonder if you know the silence between us Is louder than words Please, don't go I just wanted to say "Hi" or maybe now say "Goodbye" to you
